**U.S. Probation Officer Action:**

As noted on the preceding page, Mr. Barysheff was recently sentenced before Your Honor. During an office visit on December 13, 2017, Mr. Barysheff submitted a urine sample for drug testing. Results obtained from this test provided a positive result for alcohol. Mr. Barysheff, who has only reported social drinking, advised the undersigned that he had consumed approximately six beers the night prior to his office visit.

In response to this event, Mr. Barysheff was issued a verbal warning, and was advised that future positive results for alcohol will result in a recommendation for substance abuse treatment.

Therefore, we are requesting that the Court take no further action; however, our office will continue to monitor his compliance with testing, and will notify Your Honor of any further non-compliance if necessary.

Respectfully submitted,

  
Lisa Famularo
